

The Scandinavian School

San Francisco

The Scandinavian School needs volunteers!

We really need your skills and efforts to keep the school running at a reasonable cost. Volunteering is a fun way to meet other families and make the school a better place. We are asking each family to sign up for six hours of volunteer time to be completed during a semester, or help us cover costs for these tasks with a \$60 donation. Here is a list of things you as a family can volunteer to help out with. Thanks!
